

Depository Library Spotlight for April

Documents of the past combined with the technology of the present can provide unimaginable access to and promotion of Government information. As exemplified by the Sterling C. Evans Library at Texas A&M University, the information in historical Government documents can be integrated with technology in innovative and exciting ways. Pair this with the enthusiastic outreach efforts of dedicated staff and you have a winning combination! Read more about our [Depository Library Spotlight for April](#) .

By spotlighting the expert services and contributions of our depositories, we share in the strengths and innovations of our partners and help promote the essential American service that is the Federal Depository Library Program.
